If your course requires the purchase of uniform or kit, you will find attached order forms to complete. Please order as soon as possible to guarantee delivery in time for start date.

The first few days of the course will be for induction and enrolment. **Timetables will not be available until this point.** This will give you the opportunity to get to know the other students on the course, as well as your lecturers and your student tutor.

Please ensure that on your first day you bring the following:

1. Confirmation of your GCSE results - we cannot enrol you without a copy of results so this is essential
2. A pen, paper, file
3. If applicable, payment for your course/evidence of benefits

If there are any trips associated with your course, you or your parent/guardian (if you're under 18) will need to complete a Consent/Disclosure form. Click the link for an [Under 18 Consent Form](#) or a [Medical Disclosure Form](#) if you're over 18.

English and Maths

NB: All students aged 16-18 years on a full-time course are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE resit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.

Please feel free to contact me with any questions you may have regarding the above and I will be happy to help.

Best wishes,

Melissa Kidd

BOTANICALS

SUMMER HOLIDAY PREPARATION PROJECT

BTEC Level 3 National 540 Diploma in Art and Design Practice FASHION & TEXTILES

BACKGROUND

In preparation for your first fashion assignment in September I would like you to investigate and document research into the following **two themes**:

- **Denim**
- **Botanicals**

We will look at each.

DENIM

 **denim**
[ˈdɛnɪm]

noun

a hard-wearing cotton twill fabric, typically blue and used for jeans and other clothing.

- (*denims*)
jeans or other garments made of denim:
"a pair of denims"

BOTANICALS- DEFINTION

botanical  

Also found in: [Thesaurus](#), [Medical](#), [Acronyms](#), [Encyclopedia](#).

bo·tan·i·cal  (bə-tăn'ī-kəl) also bo·tan·ic (-tăn'īk)

adj.

1. Of or relating to plants or plant life.
2. Of or relating to the science of botany.

PREPARATION TASK 1

Research and document the theme of botanicals

Research should be a minimum of 5 pages and include:

- **Primary sources** (drawings/photographs).
- **Secondary sources** (books/internet/journals/magazines).
- **Drawing Top Tips:**
Drawing should include different drawing media e.g. pencils, inks and paints. You can exploit the qualities and styles of line, texture, tone and colour. Draw the whole or part of an object or picture to help you understand the shapes and forms that are contained within it.
- Present your research into an A3 sketchbook - this will be continued in (from September) for your first assignment.

Vogue encyclopedia:
The history of denim
jeans - Vogue Australia

We will be re-using fabrics (not necessarily denim) for your first made garment - please collect any old fabrics/clothes that you can recycle for the start of the course in September!

PREPARATION TASK 2

Investigate the fabric Denim and its place in fashion

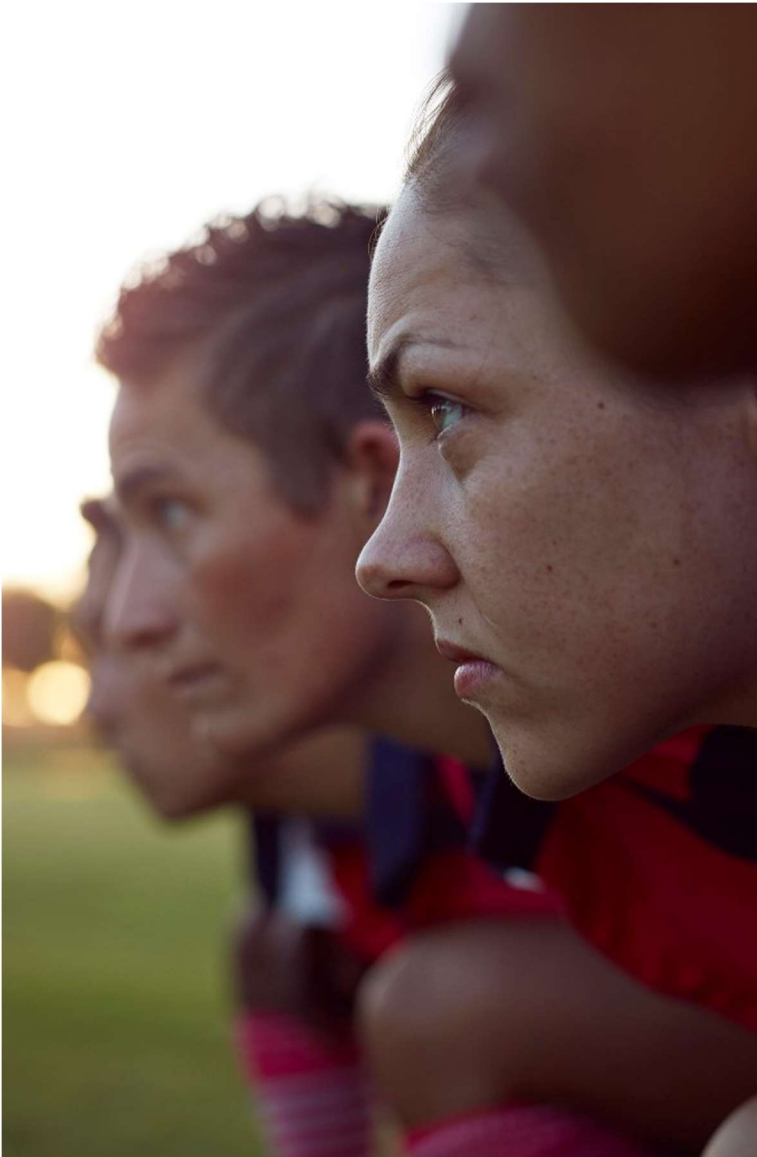

Investigation should include:

- **Historical research** - what can you find out about the fabric? Origin? Construction?
- **How has denim been used in fashion?** (historical and contemporary) examples. Images (all sources referenced) - a mixture of **photos and sketches**.
- **Annotation** (information & labelling) eg. shapes and structures/details/colour/textures/print and surface decoration.
- **Evaluation** (what you like/ don't like/ what aspects inspire you).
- **Further analysis** - drawn close-ups of particular features.
- Presented either as a **power point/slide show or presented in your sketchbook**
