If your course requires the purchase of uniform or kit, you will find attached order forms to complete. Please order as soon as possible to guarantee delivery in time for start date.

The first few days of the course will be for induction and enrolment. **Timetables will not be available until this point.** This will give you the opportunity to get to know the other students on the course, as well as your lecturers and your student tutor.

Please ensure that on your first day you bring the following:

1. Confirmation of your GCSE results - if you have any
2. A pen, paper, file
3. If applicable, payment for your course/evidence of benefits

If there are any trips associated with your course, you or your parent/guardian (if you're under 18) will need to complete a Consent/Disclosure form. Click the link for an [Under 18 Consent Form](#) or a [Medical Disclosure Form](#) if you're over 18.

English and Maths

NB: All students aged 16-18 years on a full-time course are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE resit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.

Please feel free to contact us with any questions you may have regarding the above and we will be happy to help.

Best wishes,

Clare Roberts
