The first few days of the course will be for induction and enrolment. **Timetables will not be available until this point.** This will give you the opportunity to get to know the other students on the course, as well as your lecturers and your student tutor.

Please ensure that on your first day you bring the following:

1. **Confirmation of your GCSE results - we cannot enrol you without a copy of results so this is essential**
2. A pen and paper
3. Large memory stick or portable hard drive
4. If applicable, payment for your course/evidence of benefits

Further details of equipment, trips, materials etc. relating to your course will be given to you at Induction.

If there are any trips associated with your course, you or your parent/guardian (if you're under 18) will need to complete a Consent/Disclosure form. Click the link for an [Under 18 Consent Form](#) or a [Medical Disclosure Form](#) if you're over 18.

English and Maths

NB: All students aged 16-18 years on a full-time course are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE resit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.

Please feel free to contact me with any questions you may have regarding the above and I will be happy to help.

Best wishes,

Logan Cullen
