Welcome to Chichester College

Dear Student

Thank you for choosing to study EDX Level 2 Certificate in Esports. I am the Study Programme Leader and look forward to working with you over the next year.

Further to your starting information, which outlines your start date & time, below is a brief overview regarding coming to college and preparing to study your course.

If your course requires the purchase of uniform or kit, you will find attached order forms to complete. Please order as soon as possible to guarantee delivery in time for start date.

The first few days of the course will be for induction and enrolment. **Timetables will not be available until this point.** This will give you the opportunity to get to know the other students on the course, as well as your lecturers and your student tutor.

Please ensure that on your first day you bring the following:

1. **Confirmation of your GCSE results – we cannot enrol you without a copy of results so this is essential**
2. A pen, paper & file
3. If applicable, payment for your course/evidence of benefits
4. Any personal protective equipment in line with current government guidelines for the Education Sector

If there are any trips associated with your course, you will be required to complete any attached consent forms and submit to your course leader during induction week.

English and Maths

NB: *All students aged 16-18 years on a full time course are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE resit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.*

Please feel free to contact me with any questions you may have regarding the above and I will be happy to help.

Best wishes,

Matt Williams

Study Programme Leader
