

### Welcome to Chichester College

Dear Student

Thank you for choosing to study CCH L1 Award in Intro to Health, Social Care and Children's and Young People's Settings. I am the Study Programme Leader and look forward to working with you over the next year.

Further to your starting information, which outlines your start date & time, below is a brief overview regarding coming to college and preparing to study your course.

If your course requires the purchase of uniform or kit, you will find attached order forms to complete. Please order as soon as possible to guarantee delivery in time for start date.

The first few days of the course will be for induction and enrolment. **Timetables will not be available until this point.** This will give you the opportunity to get to know the other students on the course, as well as your lecturers and your student tutor.

### Please ensure that on your first day you bring the following:

1. **Confirmation of your GCSE results – we cannot enrol you without a copy of results so this is essential**
2. A pen, paper & file
3. If applicable, payment for your course/evidence of benefits
4. Any personal protective equipment in line with current government guidelines for the Education Sector

If there are any trips associated with your course, you will be required to complete any attached consent forms and submit to your course leader during induction week.

### **English and Maths**

**NB:** All students aged 16-18 years on a full time course are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE resit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.

Please feel free to contact me with any questions you may have regarding the above and I will be happy to help.

Best wishes,

*Hannah Lewis*

### Getting Support at College

#### **The Learning Support Grant & Bursary:**

We understand that financial matters are an important consideration for our students and that everyone's circumstances are different.

We believe financial constraints alone should never be enough to prevent a student from studying and so we will work with you to find out what support you may be entitled to and help you to access any funding available. You can apply Online (via Online portal) for the Learning Support Grant.

We have tried to make applying as simple as possible, but it will involve filling in Online forms, providing evidence and telling us about your financial situation. We will then make an assessment based on your personal circumstances.

#### **Contact:**

If you have any questions regarding student finance, please email [studentfinance@chigroup.ac.uk](mailto:studentfinance@chigroup.ac.uk) and one of our team will be in touch to help.
