### Parking on the Main Campus (Car & Motorcycle):

To park in the college car park, you must either:

- Register in advance for a free E-Permit and pay 50p daily through JustPark (you cannot apply for your free E-Permit via the JustPark app) OR
- Purchase a pre-paid E-Season Ticket.
- You need to visit the E-Store on the following link to arrange either of the above options:- <https://estore.chichester.ac.uk/product-catalogue/chichester-college-group/parking>

This applies to all students, including those on evening and weekend courses. Students who have not yet enrolled should use their student ID - this will have been given to you when you applied for your course, while apprentices should use their birthdate in an eight-digit format (ddmmyyyy eg 01012002).

E-Permit holders can pay daily using JustPark, either through the app, on the website or by calling 07520 63 44 55, quoting the college's JustPark location ID (this can be found on the signage in the college car park). This must be done within 30 minutes of entering the car park. Without an E-Permit, even if you pay the daily charge, you may still receive a Parking Charge Notice.

If you park any extra days than you have purchased on your E-season ticket, you will need to pay for the day through JustPark. If you change vehicles at any time after originally registering, you will need to register the new vehicle. Vehicle updates need to be provided by email to:

[carparking@chigroup.ac.uk](mailto:carparking@chigroup.ac.uk) with a minimum of 48 hours notice, to allow sufficient time for the ANPR system to be updated prior to the new vehicle entering the site.
