### **English and Maths**

**NB:** All students aged 16-18 years on a full-time course are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE re-sit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.

### Work Experience

As part of the sports volunteer unit within the qualification, you will be required to organise and complete a sports work-related placement for a minimum of 25 hours as part of the course during the spring term.

### KIT and other costs

No upfront payment is required for trips, for any trips throughout the year you will be notified of small costs nearer the time. Basic P.E kit is required for practical lessons, if you join any sports team; you may be offered kit package deals to purchase.

If you would like to ask for financial support to pay for these costs, please contact our Student Financial Support Team via the Chichester College website and read the information below.

### Getting Support at College

#### **The Learning Support Grant & Bursary**

**We understand that financial matters are an important consideration for our students and that everyone's circumstances are different.**

We believe financial constraints alone should never be enough to prevent a student from studying and so we will work with you to find out what support you may be entitled to and help you to access any funding available. You can [apply online \(via online portal\)](#) for the Learning Support Grant. We have tried to make applying as simple as possible, but it will involve filling in online forms, providing evidence and telling us about your financial situation. We will then make an assessment based on your personal circumstances.

#### Contact

If you have any questions regarding student finance, please email [studentfinance@chigroup.ac.uk](mailto:studentfinance@chigroup.ac.uk) and one of our team will be in touch to help.
