Dear Student

Thank you for choosing to study *Sport and Exercise Science* at Chichester College. This is the first year of your two-year diploma in Sport and Exercise Science; Level 3 National Foundation Diploma.

Nathan and I are the study programme leaders for this course, and we look forward to working with you over the next year.

You will be studying 6 units in the first year of which 4 will be assessed through coursework; (Biomechanics, Physical Activity, Research Methods, and Sports Coaching) and 2 will be via externally set exams (Functional Anatomy and Sports Psychology).

These units will include both theory and practical delivery along with both theory and practical assessment depending on the unit of study.

Please feel free to contact me with any questions you may have regarding the information regarding your course, such as trips, kits or course work and I will be happy to help.

Best wishes,

Becky Gell & Nathan Warren

Important information about your Course

Timetables

The first few days of the course will be for induction and enrolment.

You will be invited to attend an enrolment and an induction, and you MUST attend BOTH to start your course.

Timetables for your course will not be available until you attend your induction.

This will give you the opportunity to get to know the other students on the course, as well as your lecturers and your student tutor.

Your Induction

We look forward to meeting on Monday 4th September 2023 at 9.30 in the Sports Hall. Your first week will include some practical activities, taster sessions to units and a written piece of work to be completed:

- ✓ Please bring a pen, paper & file
- ✓ Please bring presentable sports kit.

If you are unsure of what this entails, please email admissions@chichester.ac.uk for further details.

Your Enrolment

Further to your starting information and an invitation to register your "Pre-enrolment" with the College; you should now have the following information ready for September:

- Your Student Number
- Your invitation to join your Induction Date which outlines your start date & time in September.

Should you not have either of these, please contact enrolments@chichester.ac.uk for further details.

Please ensure that when attending your enrolment you bring the following:

✓ Copy/Photo-shot of your Certificate(s) with your grades and Identification.

English and Maths

NB: All students aged <u>16-18 years on a full-time course</u> are required to update their English and Maths skills if they do not hold a GCSE grade A/9-C/4 in both subjects. So please be aware that if you do not have these qualifications, you will be required to undertake a GCSE re-sit (or equivalent qualification) alongside your main programme of study. This is compulsory and not optional. Please be aware that you cannot be awarded for one qualification without passing the other.

Work Experience

You will be required to secure a placement for a minimum of 15 hours unpaid work experience and a maximum of 15 hours of online course related learning via the Open University. Placements can be organised outside of your timetable throughout the year, or a week will be timetabled if you would like to secure a block of days for your placement.

KIT and other costs

You will be required to bring appropriate practical kit when you have any practical elements within your timetable which will be shared with you in induction week.

There will be a cost of around £100 which will include a course top, visits and end of year celebrations BBQ. All of this will be confirmed and itemized within the first 2 weeks of the course and payment will be made through an online store via the college website.

If you would like to ask for financial support to pay for these costs, please contact our Student Financial Support Team via the Chichester College website and read the information below.

Getting Support at College

The Learning Support Grant & Bursary

We understand that financial matters are an important consideration for our students and that everyone's circumstances are different.

We believe financial constraints alone should never be enough to prevent a student from studying and so we will work with you to find out what support you may be entitled to and help you to access any funding available. You can apply online (via online portal) for the Learning Support Grant. We have tried

to make applying as simple as possible, but it will involve filling in online forms, providing evidence and telling us about your financial situation. We will then make an assessment based on your personal circumstances.

Contact

If you have any questions regarding student finance, please email <u>studentfinance@chigroup.ac.uk</u> and one of our team will be in touch to help.
