Dear Student

Thank you for choosing to study **Football Coaching** at Chichester College. I am the study programme leader for Level 1 and look forward to working with you over the next year.

The football coaching program is designed to provide you with real life experience in coaching and playing football. Whether you are currently coaching a team or looking to get into coaching, this course will help you create a safe and fun football environment and deliver suitable practices and games for players.

In the first year of the football coaching programme; we will focus on the player, the game, and you as a coach. Throughout the course you will lead sessions, actively participate in your peer's football sessions, and gain essential knowledge about coaching as well as looking into fitness and nutrition.

Please feel free to contact me with any questions you may have regarding the information regarding your course, such as trips, kits or course work and I will be happy to help.

You can [apply online \(via online portal\)](#) for the Learning Support Grant. We have tried to make applying as simple as possible, but it will involve filling in online forms, providing evidence and telling us about your financial situation. We will then make an assessment based on your personal circumstances.
