Our campuses are closed on all UK public holidays, Staff Development days and in exceptional circumstances exam days. No lessons will be taught on these days.

Dates of public holidays and Staff Development days are published on the college website in advance. Term dates are available on the college website.

CCG reserves the right not to run an advertised course and may have to cancel a course in exceptional circumstances. Wherever possible an alternative course will be offered. If this is not suitable a full refund of tuition fees paid will be made.

### 2. Conditions with which you will need to comply.

2.1. This section 2 and the Offer Letter will set out any specific requirements with which you will need to comply as a condition of admission, registration and/or progression on your course.

2.2 If you fail to comply with any of these requirements or fail to provide us with satisfactory evidence that you have complied with these requirements, we may terminate the Contract.

2.3. You are required to declare to CCG any relevant, unspent criminal convictions, within two weeks of receiving an offer. CCG reserves the right to withdraw the offer after careful consideration of a relevant conviction. Before you are made an offer you may be asked to make declarations about your health and your criminal record. These declarations allow us to give fair and reasonable consideration to your application. Please ensure that you make a full disclosure.

2.4. You will need to demonstrate at the point of enrolment that you have valid leave to enter or remain in the UK and that this leave entitles you to study at CCG.

2.5. Please note that an offer of a place does not guarantee the grant of a CAS by the CCG. As a Student Route Visa Sponsor, CCG can only issue a CAS when we are satisfied that both a student and a course meet the requirements of the UKVI guidance for educators and the Immigration Rules. Prior to a CAS being issued both the course and the student must be assessed to ensure they meet these requirements.

2.6. A CAS will not be issued in the following circumstances:

- a). If you are applying from within the UK and do not have valid leave to remain in the UK, i.e. you have overstayed your visa.
- b). Where you have a bar on entering the UK.
- c). Where you are applying for a course at a lower academic level than the level your previous leave was granted.
- d). If we feel that sponsoring you will put our sponsor license at risk, or we have concerns about your intention to study.
- e). Where you will not be able to complete your course within the time permitted on a student visa, as per Home Office requirements.
- f). Where you have provided documents which are fraudulent.

2.7. CCG reserves the right to withdraw CAS without notice if information comes to light to show:

- a). You have provided false or incorrect documentation.
- b). You are unable to make a visa application to arrive in the UK before the last date of enrolment.
- c). The course of study no longer meets UKVI (British Government Home Office) requirements.

2.8. If you are an international student and need a visa to enable you to be in the UK to study, you may be required to attend an Interview prior to be offered a place at CCG. If you do not attend this interview or cannot provide conclusive proof that you have the correct visa or immigration permission, you will not be allowed to begin your programme of study and/or you may be withdrawn from your programme.

2.9. It is essential that you regularly read our emails (in the email account you used on your application to CCG) and that you follow very carefully the instructions for arrival, collection of Biometric Residence Permits and Right to Study checks.
