

WHAT TO BRING TO WOODLANDS

Woodlands Halls of Residence, Westgate Fields, Chichester,
West Sussex PO19 1SB Tel. 01243 533690

You can bring your TV, PC/Laptop, and other electrical items - All electrical items must be PAT tested shortly after arrival, we have an independent company who will do this for you. All TV's and devices which allow you to watch TV will need a TV Licence - please ask if you need help with this.

You will need to buy or bring with you:

- Shampoo and soaps, shower gels and other toiletries you use
- Washing machine detergents - these are best in the pod/tablet form for our machines

PERSONAL ITEMS:

You can bring your hair dyer, curling tongs, hair straighteners, drinking cups and any other personal items you'll need during your stay.

Although we do supply bedding, (bottom sheet, duvet and cover, 2 pillows and pillowcases), some students prefer bringing their own bedding to make them feel more at home. Please make sure you label with your name on each item, so that it can be given back to you after washing.

You can bring your own hand/bath towels, or we can supply you with these on request. You can bring anything you would like to personalise your room to make you feel relaxed and comfortable during your stay and to add your own individuality to the room. Please make sure any items or decorations do not conflict with the terms of your contract or rules within the Woodlands handbook.
