How do I log in?

Go to CCGOnline and log in. From the **Students** dropdown menu at the top of the page, select **Library**, **Library Resources**. Go to **Online Resources**.

Click on the icon for **Academic Search Elite**. This will take you to the Academic Search Elite online resource page which includes the help sheet. Click on the **Academic Search Elite** link which will take you to the journals search page.

Searching this database from home

Click on the link for **Academic Search Elite** as above. If you are not already logged into your CCG Microsoft account, sign in when prompted with your college email and password.

How do I search?

To start searching you can opt for a basic or advanced search.

Basic Search
Type in your topic e.g. performance management into the search box and click 'Search'. To narrow down the results you can filter by the menu at the top. **All filters** allows you to filter by publication date, content provider, source types, subject and geography etc. You can also use the quick filters (e.g. **All time**, **Source type**)

Searching: **Academic Search Elite**

performance management

All filters (0) | Full Text | Peer Reviewed | All time | Source type

Advanced Search
Click on **Advanced Search**. Enter your search term then click **All fields** to choose author, title, subject term etc from the drop down menus. Use AND, OR, NOT to combine terms. Scroll down for additional filter options if needed and click **Search**.

Search articles, books, journals & more

Searching: Academic Search Elite

Basic search

performance management | All fields

AND | | All fields

AND | | All fields

Add row • Delete row

Clear all | Search

How will the results appear?

Results are displayed in relevance order (change to date newest if preferred).

Too many results?

If you have too many results try limiting your search using the **All filters** tab at the top for example by publication date, source types, subject, publication, language or geography. Or by the quick filters (e.g. **Source type, All time**)

Click on Access Qptions to see the options for displaying the full record (e.g. pdf).

Periodical

A Triple-A Approach to *Performance Management*

By: HASAN, ED • In: TD: Talent Development, Sep2023 • Academic Search Elite

By embracing a transformational **performance management** approach that fosters employee autonomy, adopts agile methods, and leverages AI-powered tools, employers will be better prepared to thrive in the dynamic and volatile postpandemic world. `... Show more

Subjects: *Performance management*; Coaching of employees; *Career development*; Executive ability (*Management*);+4 more
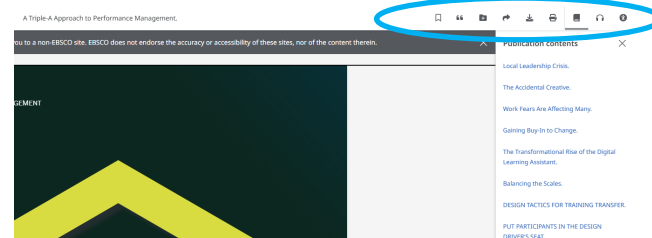

Access options

Click the title for further information such as abstract and subject terms.

Click on e.g. **PDF Full Text or EPUB full text** shown in the **Access Options** to open the full text of the book.

How do I use the results?

On the full record page use the menu on the top of the screen to download, listen, save, cite (to obtain bibliographic details for referencing), add to projects, share (e.g. email or create link) and print.

My dashboard

- Projects

Research tools

- New search
- Publication Finder
- Help

Create a personal EBSCO account by clicking on MyEBSCO at the top of the results page. Your account will allow you to make full use of the dashboard facility to the left of the results page. Using the dashboard you can see your search history and add saved items to your projects.

New search opens up a new search box and **Publication Finder** is useful for searching journals by title or subject.

What if I still need help?

Click on **Help** under **Research tools.** This will take you to EBSCO Connect at The New EBSCOhost Interface - Quick Start Guide
