

## How To Turn Accessibility Mode On (or Off) on Ebook Central

---

### How do I turn Accessibility Mode On or Off on my Ebook Central account?

If you are using a screen reader, the option to turn accessibility mode on or off will be read out by your screen reader. See [Ebook Central: Accessibility Mode for Screen Readers](#)

If you cannot turn it on using a screen reader, after you have signed into your Ebook Central bookshelf account online, bring up the **Profile** page by clicking on the **Settings -> Profile** menu items located on the top right corner of the page:

Scroll further down the Profile page to click on the options whether to enable the Accessibility Mode (or disable):

ACCESSIBILITY MODE    Accessibility Mode is **OFF** .

Turn it on using your screen reader, or by selecting the Enable Accessibility Mode radio button below.

Enable Accessibility Mode

Disable Accessibility Mode

What's this?

Use OpenDyslexic typeface

I agree to ProQuest's Privacy Policy and Terms of Service.

When finished be sure to:

1. Check the **privacy and terms of service** box
2. And hit the **Save Changes** button to complete the process.
