# How do I log in?

Go to CCGOnline and log in. From the **Students** dropdown menu at the top of the page, select **Library, Library Resources**. Go to **Online Resources**.

To log in, either on or off campus, click on the icon for **Springer Link** and then click the image or link. Type **Chichester College Group** in the **Access through your institution** box and select it below.

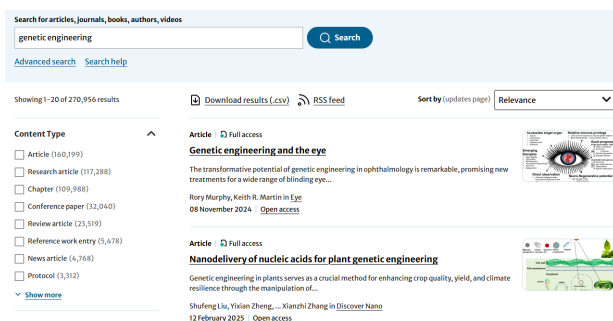

Log into your CCG Microsoft account if prompted.

You will be taken to the Homepage search screen.

# How do I search?

## Basic search

Enter a search term and click return. You can use the limiters (e.g. **Content Type**, **Publishing model**, **Date published**, **Languages**, **Subjects and Disciplines**) on the left to refine your search.

Look for articles with the **Full access** icon for full-text access.

## Advanced searching

Click on Advanced Search and complete the appropriate search boxes. You can refine your search with the operators AND, OR and NOT. Consider limiting your search by date by selecting **Date Published** before clicking the search button.

## Advanced search

**You can refine your search with the operators AND, OR, NOT, (, ), " " . [Learn more](#)**

**Keywords**  
For example, "dna replication" NOT sequencing

**Title**  
For example, The Archaeology of Contemporary America

**Author(s) or Editor(s)**  
For example, John Bell Doe OR J.B. Doe

**In journal(s)**  
For example, Nature Neuroscience

**Date published**

## How will the results appear?

Results are displayed in relevance order (change to **Date published (new to old)** if preferred).

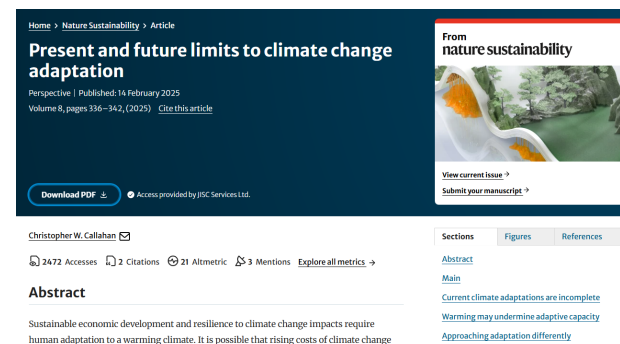

If you have too many results try limiting your search using the limiter options on the left of the screen, for example **Content Type**, **Publishing model**, **Date published**, **Languages**, **Subjects and Disciplines**.

Again, look for articles with the **Full access** icon for full-text access to content.

Click on a title to see the detailed article record.

# How do I use the results?

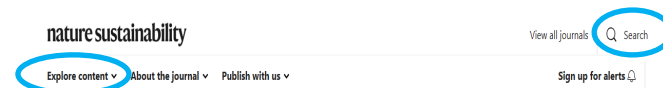

From the detailed article record, click **Download PDF** for a copy of the article.

Click on **Cite this article** to see **referencing information** for the article including the DOI, if available.

Under **Share this article** (following references), you can get a **shareable link** for the article.

Clicking on the link for the **journal title** (above the article title) takes you to a page where you can **Explore content** of the journal or **Search** within the journal.

# What if I still need help?

Click **Search Help** on the results page or book a demonstration from a member of library staff.
