Vetlogic

Animal behaviour

Online Research @ CCG Libraries

- Anaesthesia
- Animal Behaviour
- Animal Welfare
- Cells and Tissues
- Infection Control
- Microbiology
- Vet Medicines

How do I log in?

Go to CCGOnline and log in. Scroll down the page and click on the link to **Learning Resources**. Go to **Online Resources**.

Select the icon for **Vetlogic**. Click on the image or link for Vetlogic.

Use this process to access the resource on and off campus.

There are modules for:

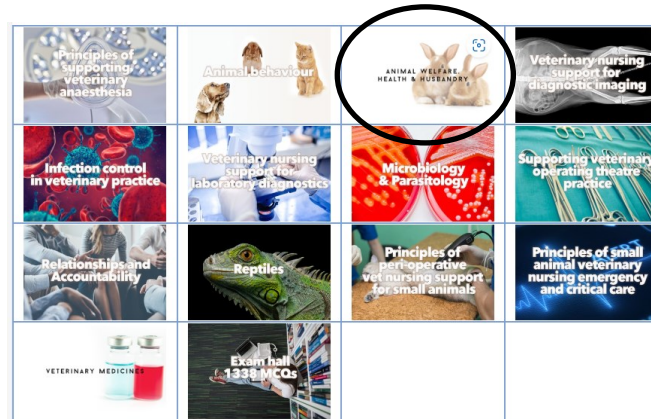

Anaesthesia	Animal behaviour	Animal welfare, health and husbandry
Diagnostic imaging	Infection control	Laboratory diagnostics
Microbiology and Parasitology	Operating theatre practice	Relationships and Accountability
Reptiles	Peri-operative vet nursing support for small animals	Small animal veterinary nursing emergency & critical care
Vet medicines	Exam questions	

Scroll down to access the **Anatomy and Physiology** modules. These include:

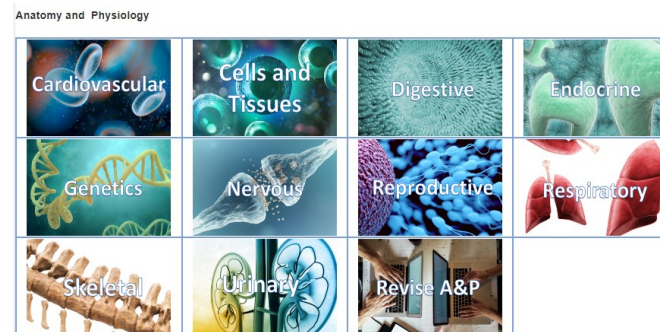

Cardiovascular, Cells and Tissues, Digestive, Endocrine, Genetics, Nervous, Reproductive, Respiratory, Skeletal and Urinary Systems and a Revise A & P module.

How do I use it?

Click on the images to open the module

Anatomy and Physiology modules

Modules include expert information, glossaries, videos and quizzes to test your understanding.

What if I still need help?

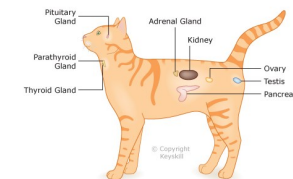

Ask a member of Library staff to guide you.
