How do I search?

Basic search

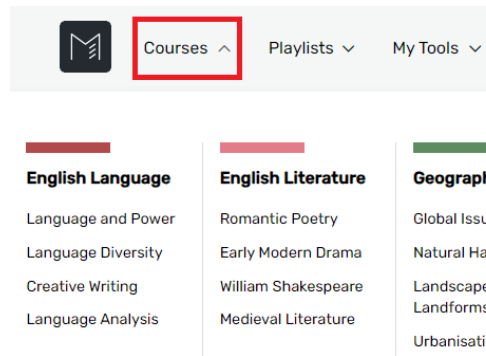

You can search using the Keyword etc. boxes at the top of the page and choose **to see all results or individual lectures or courses (lecture collections)**.

OR

Click on the **Courses** option at the top left. Choose your **subject area** and **browse** topics (arranged into courses on specific topics).

Chichester College Group has a subscription for: English Language , English Literature , Psychology, Sociology.

Or click to view all **Courses**.

Refine by **subject**. The results can be sorted by alphabet, featured, most popular or most recent.

You can search for specific lecturers, and see all the videos they have on their subject. Again you can refine by subject.

There are also playlists, organised by subject, with the most popular texts and lectures.

How do I use the results?

Click on a **title** to view the full lecture or text. You can **Add to playlists**, or **Add to Favourites**. Click on **Share** below the video to copy the link to the lecture.

There is the option write **notes** in the browser while viewing, which save automatically.

Each video has a **transcript**, and you can click the time stamp to take you to the relevant place in the lecture.

Click on **Cite** below the video for a citation.

What if I still need help?

The **MASSOLIT support guide** can be found by going to **My Account** and clicking the **Support Guide** button on the top right.

You can then **search** the guide or select one of the **Help** options.

Or book a demonstration from a member of library staff.
