

NEW VACANCY

Forest School Assistant with Early Years Qualification Required

Monday – Friday 8am – 5pm

£22,000/annum (dependent on hours and qualifications)

South Harting – Hampshire

Do you like playing in mud in all weathers, all year round?

Would you enjoy spring time learning walks identifying local flora and searching for fauna?

Can you show genuine enthusiasm when a child discovers their 25th slug on a walk in the rain or picks up a stick and calls it a wand, a monster, a dragon tooth, a dinosaur bone, or a pirate's telescope?

Can you sing and dance outside, regardless of being in tune, whilst wearing 7 layers for warmth, waterproof outer layers, hat, and gloves?

Can you focus on fun and allow yourself to be led by the children into their imaginative world as well as paying close attention to the Early Years Foundation Stage curriculum ensuring it is embedded throughout the day?

An exciting and unique opportunity to join our successful and popular forest school which has a friendly, supportive, and positive work ethos. We are here to help children learn, grow and flourish through play. At Diggers we provide memorable outdoor experiences.

For further information and to apply please contact Mrs B, Manager
