Vacancy job title

Trainee Deck Manufacturer/Installer x 2

Details of hours or days

Full time 40hours per week

Salary Range

£9 p/h will increase with performance and progression

Job description including any specific skills or experience needed

We are a small company with 30years combined experience in our field. We work with and offer flexiteek synthetic decking to the marine industry. We are looking to add one or two enthusiastic, reliable people to our team, an interest in boat building, carpentry or any sort of building/manufacturing would be a positive start.

Duties**Day to day task and process**

- template/pattern boats (visiting boats and templating the areas to be decked)
- Manufacture decks (working in our humble workshop, involves using a stanley knife and basic hand tools, thermal welding of the decks. Putting the decks together, sanding and finishing the decks.
- Installing (adhering the decks to the boat and finishing)
- No experience is needed, full training on the job given, ultimately we are looking for people who are hard working, dedicated and seeking a career.

Location

Oving/local marinas
