Do I have extenuating circumstances?

The circumstances you are seeking to mitigate must be unforeseeable or unpreventableand you must be able to demonstrate how these circumstances could have a significant upon your ability to meet the assessment deadline.

Common examples include:

- Significant personal illness or injury (where a Doctor certifies that you should not work or study)
- The critical illness or death of a close family member/dependent
- Unexpected significant family crises or severe financial problems leading to acute stress
- Absence for public service (e.g. Jury Service or active service if an armed forces reservist)

Circumstances not normally considered:

- Events that were planned or reasonably foreseen (e.g. booked holiday) arrangements should be agreed in advance with the course leader once known
- Failure, loss or theft of a computer, printer or storage medium
- Non-diagnosed illness (e.g. exam stress)
- Inadequate time management/planning
- Paid employment or volunteering commitments arrangements should be agreedin advance with the course leader
- Rejection of EHCP DSA advice and guidance
- Pre-existing circumstances disclosed at interview (e.g. ongoing diagnosed illness)
