

# A guide to prepare you for the A level Fine Art course

## What is Fine Art?

Fine Art A level at Chichester College will give you the opportunity to extend your creative knowledge in a wide range of media. We ask you to experiment and explore with new materials, find ways to combine different media and further develop your current skills.

We are fortunate to have excellent studio facilities so the areas of study you may choose to work with include: • drawing and painting • mixed-media, including collage and assemblage • installation • printmaking (relief, intaglio, screen processes and lithography) • moving image and photography.

You will find inspiration from past and present times and you will be encouraged to widen your knowledge of Art in all of its forms so that you can become a more inspired and skilled artists. We will teach you how to examine the work of others and teach you good analysis skills.

Included in this document are interesting articles to read, engage with and watch and will support you in preparing for your A level Fine Art course.

We hope you will enjoy this course!
