Guest Speakers	N/A
Events	Maths Challenge

OPTIONAL ADDITIONAL READING/STUDY
CGP Head Start to A-Level Maths (with Online Edition) (ISBN: 9781782947929)

SUMMER WORKING TASK INFORMATION
Completion Date: First Lesson Week Commencing 8/9/25
This pack will help you make the best possible start to studying this subject. The tasks in this pack should take you about 4-6 hours to complete. The tasks are designed to get a bit more difficult as you work through them as they are preparing you for studying at a higher level and to become an effective independent learner. You should try to get as far as you can working on your own but if you do need help, please email us at info@haywardsheath.ac.uk telling us which Getting Ready For pack you are working on and what help you need. Help is available throughout the summer holidays.

SUMMER WORKING TASK	
The tasks in this pack: • There are 7 topics to complete. • Each topic has study materials and tasks to help you. • Complete at least the assessment for each topic. The results will be sent to your teacher and will form your first grade at college in September. • Spread the course out across the summer break. If you need help: The course is designed to ensure you have the skills to start A level maths and to become an effective independent learner. You should have already covered the material at GCSE but will need to refresh your memory. You should try to get as far as you can working on your own but if you do need help or have issues with logins and passwords please email Andrew at green2@haywardsheath.ac.uk or Jo at stedmanj@haywardsheath.ac.uk or Paul at radleyp@haywardsheath.ac.uk who will be able to advise you.	
Skills Focus	The ability to choose the correct method to solve a problem. Clarity of mathematical communication – how well you show your workings and lay out your work. Accuracy of numerical calculations. Marking and correcting your work, revising any topics you have forgotten.

Task	We are delighted you have chosen to study Mathematics at Haywards Heath College. Instructions: Go to www.integralmaths.org Login details: Username: 295T-firstnameinitialsurname example 295T-jpritchard If you have a hyphenated or multi-part surname just type it with no gaps, all lower case Password: same as the user name You will be asked to set a password the first time you log in. LOGIN ISSUES – Please see “If You Need Help” above. Please do not contact reception as they cannot help you! Click on this icon to access the course
