

Music

Welcome to UAL Level 4 Professional Diploma in Music

Hello and welcome to the UAL level 4 Professional Diploma in Music. Everyone in the music department is looking forward to working with you over the next year and seeing your skills, talents and ambitions grow.

By choosing a course in the Creative Industries department here at Northbrook, you'll get access to a fantastic set of resources: our teaching staff, support staff and technicians are second to none. Our facilities boast extraordinary capabilities - your job is to get the most out of it!

What to bring on your first day

- Pen/Pencil
- Notebook
- Instrument if you play one

Kit list / uniform

- USB Stick/ External hard drive for backing up work
- Pens/Notebook/smartphone/tablet for taking notes
- Headphones if you prefer, though the college does provide them if required
- Water bottle
- Ear Plugs (disposable ear plugs can be obtained through the tech office)

Summer tasks

STARTING INFORMATION

Northbrook
College

This is your task to complete over the summer:

Your Tasks

- Keep a 'cultural diary' over the summer of music you have discovered, gigs or festivals you have been to, films you have seen, practice you have done to develop your skills, articles or books you have read, art galleries or museums you have visited, or anything that has inspired you to feel creative!
- Go onto the UCAS website and start looking at university courses and favourite any you might be interested in. You can book in open days if you are really keen as they will start soon. NB For Conservatoires, the deadline for application is end of Oct, for other degree courses, the deadline is Jan.

Keep these as a word/google doc
