Summer tasks

This is your task to complete over the summer:

Your Tasks

- Keep a 'cultural diary' over the summer of music you have discovered, gigs or festivals you have been to, articles/books you have read, films you have seen, art galleries or museums you have visited etc., or anything that inspired you to feel creative. Padlet is a good way of documenting this <https://padlet.com/>
- Write a short review of your last college year including what you enjoyed, what you struggled with and what you would like to develop in the second year (300 words max) [Independent Learning Plan](#)

Print this out or put on your drive and bring in on the first week of college.

- Go onto the UCAS website and start looking at university courses and favourite any you might be interested in. You can book in open days if you are really keen as they will start soon. NB For
