Jewellery

NO Jewellery/including face/body piercings to be worn

Jewellery harbours bacteria and may inhibit the treatment process, it can damage or scratch the clients' skin and may get caught in the clients' hair. The only permitted jewellery is a wedding ring.

Nails

Nails should be short, clean and well-manicured with no catches and no polish. Long nails may scratch the clients' skin and you will not be able to carry out the treatment correctly, bacteria can also accumulate under the nail causing infection. Nail and gel polish as well as nail enhancements can harbour bacteria and can cause allergic reactions.

The image shows an allergic reaction to gel polish on a client's hands, if this can occur on the hands imagine the reaction it could cause on someone's face if you were to carry out a treatment wearing gel polish or nails.
