Welcome to Brighton MET! We are delighted that you have been successful and will be joining us in September 2024. This is a great opportunity to develop your academic and professional skills, ready for whatever your next step might be.

This is a fresh start from school, and one that we are thrilled to be working together with you on.

What to bring on your first day

Stationary including pens, pencils and a pad of A4 lined paper

Kit list / uniform

You may purchase a textbook if you wish, but this is optional

Summer tasks

Spend some time working with young children. This could be babysitting, spending time with family or volunteering in a nursery or preschool

Other?

The first week will be a whirlwind, with lots of new students all descending on the campus at the same time. It will feel very different from school which may be scary to start with, but you will grow to love the more adult way of working.
