

GET Volunteering

Download the Get Volunteering app

Find local volunteer roles that are available near you

Get it here:

Google Play Store Apple App Store

Or search for "Get Volunteering" on your app store

Set VAAC as your local volunteering centre to receive updates and notifications of new roles as they are added:

1. Open the app
2. Click 'your centre' at the bottom right hand corner
3. Enter your town or postcode to find your local centre
4. This will save for the next time you log in and you will receive notifications from the centre
