

# Help Save our planet

*with Simple Steps*

## Save Electric

- Turn off lights when leaving a room
- Turn off electricals at the main plug when not in use
- Do not leave appliances on standby
- Close curtains at night - to stop heat escaping
- Do not overfill the kettle - only fill to what you need

## Save Water

- Take shorter showers
- Do not overfill the bath
- Turn the tap off when brushing teeth

## Recycle

- Know what items you can recycle - Check with your host
- Do not throw away paper, cardboard, plastic, glass - these can be re-used

Chichester College group is committed to improving our environmental impact, one way to do this is to save energy
