

## Getting Ready For ***Allied Health Professions AAQ***

Your Name		
AHP AAQ	Unit 1 and Unit 3	Summer 2025

**We are delighted you have chosen to study Allied Health Professions at Worthing College.**

**Instructions:** This pack will help you make the best possible start to studying this subject.

The tasks in this pack:

- should take you **about 4 hours to complete**.
- should be handed into your teacher when teaching starts **from 8<sup>th</sup> September 2025** with your name on it for assessment.
- are also available on the internet – follow the links in the document.

**If you need help:** The tasks are designed to get a bit more difficult as you work through them as they are preparing you for studying at a higher level and to become an effective independent learner. You should try to get as far as you can working on your own but if you do need help, please email us at [gettingreadyfor@worthing.ac.uk](mailto:gettingreadyfor@worthing.ac.uk), telling us which Getting Ready For pack you are working on and what help you need. Help is available throughout the summer holidays.

Skills Focus for this Getting Ready for Pack	
Following instructions Researching Independent Learning Problem Solving Presentation/Layout	Report writing Written communication Note Taking Analysing/synthesis Interpretation

Target Grade	Type of task	Task and subject specific skill reference	Deadline
i.e., All / Extension	i.e., Research and present/ Research and written task/ Videos and question / Getting you thinking	<p><b>01. Research 'Piaget's Model of cognitive development'</b></p> <p>Instructions</p> <p>Watch the video here: <a href="#">Piaget's Theory of Cognitive Development</a> and make some notes on this theory.</p> <p>Then answer the following questions:</p> <ol style="list-style-type: none"> <li>1. What is the model suggesting?</li> <li>2. How many stages of Cognitive development did Piaget propose?</li> <li>3. What specific things happened in each stage?</li> </ol> <p>Make a list of potential key words/terms that you may want to find the definition of. (<i>For eg, Milestones, Egocentric, Abstract thinking...</i>)</p> <p>Use google to find other theories/models of Cognitive Development and make some further notes. Consider:</p> <ul style="list-style-type: none"> <li>- does each theory agree or disagree with the others?</li> <li>- What are the main differences?</li> </ul>	<b>Your first lesson</b>

		Make sure that you take notes and record the website(s) that you have used (Referencing)	
i.e., All / Extension	i.e.l, Research and present/ Research and written task/	<p><b>02. Create a poster of Piaget's Theory of Cognitive Development</b></p> <p>Instructions</p> <p>Using your research create a poster highlighting the important aspects of Piaget's theory. Make sure to include each stage (name, explanation and expected age – what happens according to Piaget)</p>	Your first lesson
i.e., All / Extension	i.e.l, Research and present/ Research and written task/ Getting you thinking	<p><b>03. Write an 800-1000 word report on "The Skills and Personal Attributes required to work in Health and Social Care"</b></p> <p>Instructions</p> <p>Use the 3 sources below to write a report (approx. 800 words)</p> <p>Your report must have:</p> <p><b>Title</b> (and your Name)</p> <p><b>Introduction paragraph</b> – (what are you doing and why) use this paragraph to introduce your topic of your report and define any key terms or concepts.</p> <p><b>Main body of report</b> (3-5 paragraphs) - Your interpretation of the skills and personal attributes needed to be an effective health care professional. <i>(Use the sources below to help you and make sure that you reference these sources – look on YouTube on how to use Harvard Referencing in your assignments – you will use this for every assignment so good to learn it now!)</i></p> <p><b>Conclusion paragraph</b> - to sum up your main points and any observations you have arrived to whilst researching this topic.</p> <p>*I will be looking at presentation as well as how you write reports. Ensure that you spell check and re-read through your work to check for errors.</p> <p><a href="#">The NHS values   Health Careers</a></p> <p><a href="#">NHS Staffing Pool Hub - Working in Healthcare - The 6 Cs of care   NHS Professionals</a></p>	Your first lesson
<b>Notes:</b>			

**We look forward to welcoming you to your new course. Please ensure that you bring your GRFP to our First lesson. This can be handwritten or printed out (With names on)**

## Work Placement Week

All students are required to participate in a **compulsory** week-long work placement. It is recommended that the placement chosen is either relevant to your course, or relevant to what your future career aspirations are.

### Work placement form submission deadline

<b>All L2 and L3 students studying on triple or double courses</b> will be given their work placement week dates by their course leaders when they start in September.  The deadline to submit your placement forms are as follows:	Date of work placement week	Deadline for returning completed form
	Dec-25	24th October 2025
	January / February 2026	24th October 2025
	March / April 2026	19th December 2025
	May / June 2026	13th February 2026
<b>All students studying 2 or more single subjects</b> will have the option of either carrying out their work placement during: <ul style="list-style-type: none"> <li>• February half term</li> <li>• Easter holidays</li> <li>• May half term</li> <li>• 22nd – 26th June 2026</li> </ul> The deadline to submit your placement forms are as follows:	Date of work placement week	Deadline for returning completed form
	February half term (16th - 20th February)	Friday 24th October 2025
	Easter holidays (27th March - 13th April)	Friday 19th December 2025
	May half term (26th - 29th May)	Friday 13th February 2026
	22nd – 26th June	Friday 1st May 2026
