Northbrook  
College

## Creative Industries

### Welcome to BA Hons Prop making and SFX

#### Course details

- Start Date: 15/09/2025 10am
- Term Dates: Term Dates  
<https://www.northbrook.ac.uk/college-information/term-dates/>

Welcome to the course. I hope you are as excited as we are to start the course and support you on your journey through making for the entertainment and display industries. This will be an amazing experience where you will meet others with similar passions, make life long friendships and develop all of the skills required to thrive as professional Prop makers. See you soon,

Dan, Jacques, Hannah, Steph, Brynley and young Dan

#### **What to bring on your first day**

Bring your passion for making and a note book and pen

#### **Kit list / uniform**

Kit list can be found here [Prop Making kit list 2025-26.docx](#) and will also be emailed to you. The first week is focused on settling in and lots of starting information so you can wear your favourite clothes. After that you will be in industry in the workshops so come in your work clothes. This will all be covered in the first week.

#### **Summer tasks**

We don't set summer tasks, but as passionate makers I am sure you will have a project, or ten, needing to be finished, so use this time to practice making and designing.

#### **Other**

If you have any specific questions get in touch via email and we will endeavour to answer them as soon as possible, even if we are on holiday.
