Course details

- Campus: Northbrook West Durrington
- Course codes: NPER071F1A
- Course Days for Term 1: Tues/Weds/Thurs

Cara Luck and Lydia Pankhurst look forward to welcoming you to our course, which is packed full of practical skills sessions, design, theory, experience working on a production, as well as opportunities to develop your own creative practice!

What to bring on your first day

- Water Bottle
- Lunch or money for lunch / packed lunch
- A note of health and safety requirements you may have including allergies
- Pen/Pencil & notebook. A Plastic Folder for any handout / lesson write ups will be required as the weeks go on.

Dress Code:

- Comfortable, professional clothes and shoes. Due to the close contact with your peers and practical elements of this course, appropriate clothing is essential.

STARTING INFORMATION

Northbrook
College

- Black clothing is widely worn in the industry but at college you can wear any colours, we ask that you stick to Suitable length skirts and shorts and tops, that would be considered professional. Black clothing is required for any show weeks to work backstage.

Kit list:

- Makeup and hair kit
- An A4 Sketchbook and a lined notebook
- A pencil case which will include: pencils, a ballpoint pen, a rubber, a sharpener, a highlighter, a glue stick, Art supplies such a colouring pens and pencils.
- A smartphone or tablet that can access Google Apps

Summer Project:

You may have already received a handout on the welcome day in June but here is a reminder of what the summer project entails.

Seasons of the year

Task 1:

To start your creative journey, we would like you to research, collage and develop a **physical A3 mood board** for each Season of the year. **SPRING SUMMER AUTUMN WINTER**. Your mood board should interpret the season's mood, colours, textures and character. Complete this with annotation of words and feelings that inspire you and the feelings it emotes.

This will be four individual mood boards one for each season. This will also include some of task 2.

Task 2:

Once you have researched and created your mood boards you need to design a makeup face chart for **all four seasons**. These face charts can be on a separate piece of paper or included as part of your mood board. Think about shapes, placement, textures and even adornments (glitter/ gems/lashes etc).

Once you have designed all four, turn **at least one** of your designs into a physical makeup on yourself or a model and photograph this to show the class in your first week.

The Summer Project task will be explained in more detail on the welcome day, and you will receive a hand out to take home.

(Please bring both completed tasks to your session on Wednesday 3rd September)

Kits:

Please find below the details of your kit which needs to be purchased during the summer break so you are ready for the second week of term. Please check each individual order form for their order details and order deadlines. These are in this pack provided, if you have any queries regarding these please email

Cara.luck@gbmc.ac.uk and Lydia.pankhurst@gbmc.ac.uk It is essential you have a full kit to take part in lessons.

Kryolan - £300.00 Beauty Bay - £41.95 Capital - TBC later in the year.

STARTING INFORMATION

Northbrook
College

This kit is an industry level kit, and will last you throughout the course. If you do not need to buy a full kit as you have items from previous courses/kits please make sure you speak to Cara and Lydia to clarify what you need.

You MUST have a professional set of make-up brushes separate from your personal make-up brushes.

Course extras

Your kit contains a set bag and clear bags to get you started but you will require a make-up case or suitcase to transport items to and from class. A small/ medium sized suitcase works very well for this or you can buy specific make-up cases.

You will also need design and art supplies such as pencils, pens, paint, sketchbooks, folders, plastic filing wallets and access to a computer for virtual lessons and academic work.
