During your Induction week you will have the opportunity to get to know the other students on the course, as well as your lecturers and your pastoral tutor. We will also complete activities that introduce you to your course and help you confirm that it is right for you.

Jewellery

NO Jewellery/including face/body piercings to be worn

STARTING INFORMATION

Jewellery harbours bacteria and may inhibit the treatment process, it can damage or scratch the clients' skin and may get caught in the clients' hair. The only permitted jewellery is a wedding ring.

Nails

Nails should be short, clean and well-manicured with no catches and no polish. Long nails may scratch the clients' skin, and you will not be able to carry out the treatment correctly, bacteria can also accumulate under the nail causing infection. Nail and gel polish as well as nail enhancements can harbour bacteria and can cause allergic reactions.

The image shows an allergic reaction to gel polish on a client's hands, if this can occur on the hands imagine the reaction it could cause on someone's face if you were to carry out a treatment wearing gel polish or nails.

Hair

Needs to be clean and up completely tied back, preferably up in a bun.
We recommend you use a hair donut to make this easier for you.
