

POST-RESULTS SERVICES: DEADLINES, FEES AND CHARGES

SUMMER 2025 series

Aim

This fact sheet provides information on the type of services available after the publication of GCSE, A Level, T Level, BTEC, Cam Tech and other exam results. These services are available for students to look in more detail at their results e.g. to request a remark, clerical re-check, or to gain a better understanding of the marks received for future reference. A fee is applicable for some services.

If possible, you should have a discussion with your tutor before accessing these services.

Post-results services that are available

1. Reviews of Results (RoR)

If you are unhappy with your results and feel that a unit or paper has not been fairly marked, you can ask for:

- **Clerical re-check** which means that your unit or paper will be looked at to make sure it was all marked and that the marks were added up correctly.
- **Review of marking** to ensure that the mark scheme was applied correctly.
- **Priority review of marking.** If your place in Higher Education depends upon the outcome of a results enquiry you can submit a request for a priority review of marking. Please be aware that if you want to request a copy of your script, first, this is unlikely to arrive before the deadline for you to request a priority remark.
- **Appeals.** If you are not satisfied with the outcome of the Review of Results.

2. Access to Scripts (ATS)

It may help you to request a photocopy of your unit or paper.

- **Copy of script to review marking.** This will enable you to look at the way it has been marked and decide if a review is justified. You can show it to your teacher and ask for advice.
- **Copy of script to support teaching and learning.** This may help you to learn from this exam and support future study and revision.
- **Post-review of marking copy of script.** This will allow you to see how the original marking has been reviewed by the reviewer.

Important messages:

- **Please be aware that grades can be lowered as well as raised.** You will be asked to sign a form indicating that you are aware that marks (and grades) can go down as well as up.
- **Each unit or paper is classed as a separate request.** If you sat two or three papers for a subject you will need to decide which paper(s) you wish to be reviewed. Any fees will need to be paid for each paper.

Cost: Payment must be made to the Exams Office before the request can be processed. Your money will be refunded if the outcome of the enquiry is a change to your certification grade. There is no refund if any adjustment to the mark does not alter the grade. See end of this document for payment instructions.

Note: The prices quoted below are presented as a guide only. They are set by the awarding body and are subject to change. They also vary between different awarding bodies. The actual price of your service will be confirmed by the College exams team when you submit your request.

All Enquiries must be submitted through [Cambridge English for Centres](#).

There are two stages to this process:

- **Stage 1** - A full clerical re-check*. We will check that the candidate's paper-based or digital exam has been correctly processed, to make sure there have been no mistakes when calculating their final grade.
- **Stage 2** - A full re-mark of the candidate's Writing test**.

* It is not possible for Speaking tests to be re-checked.

** This excludes Pre A1 Starters, A1 Movers and A2 Flyers (YLE Starters, Movers and Flyers) and the Teaching Knowledge Test (TKT).

To request a Stage 2 Enquiry on Results, the candidate must have already completed a Stage 1 Enquiry and received an outcome letter.

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits a request for a clerical re-check or a review of the original marking, and then a subsequent appeal for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

I give my consent to the head of my school or college to submit a clerical re-check or a review of marking for the examination(s) listed above. In giving consent I understand that the final subject grade and/or mark awarded to me following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded for this subject.
