You can take up to twenty things. There is a limit of four DVDs at one time.

How much does it cost?

Everything is free to borrow. Staff are not charged fines for overdue loans but please try to return or renew them by the date stamped. Renewals can be made in person, by phone, by email or online at http://heritage-online.chichester.ac.uk/, ask in the library for your PIN (personal identification number).

How do I find things in the library?

Just ask for our help whenever you want to find anything. You can also look it up yourself by searching the online library catalogue in the library, via the Systems tab in the Staff Intranet, in Chichester Online or on the internet at http://heritage-online.chichester.ac.uk. There are signs on the end of the shelves in the library to guide you.

The item I want is not on the shelf. What should I do?

Ask at the library desk, phone or e-mail us. We will reserve it for you and let you know by e-mail when it is ready to collect. You can also reserve online at http://heritage-online.chichester.ac.uk using your staff number and PIN.
