Go to CCGOnline and log in.

Scroll down the page and click on the link to Learning Resources.

Go to Online Resources

Click on the link for Childlink

Or on the web

http://www.childlink.co.uk/

In College you will be directed to the search screen. If you are using this resource off campus you will be directed to the following page.

Click on the UK Access Management Federation logo.

Type in Chichester College and click continue to access the college login page where you can log in using your usual college username and password.

How do I log in?

How do I search?

You can enter search terms in the general search box or choose a category from regions, topics or resources from the list on the left of the screen to begin searching. There is also an advanced search option which enables you to limit your options down to specific keywords, topics and resources. The most recent reports and statistics are displayed on the right of the main web page.

How do I use the results?

The results are arranged by relevance to your search and date. Click on the title of an article to access the full text. To print an article, go to Printer Friendly Version at the end of the document.

What if I still need help?

There is a Help Desk section which gives instruction on how to search the web site or ask a member of library staff if you need help using this resource.
