How do I log in?

Go to CCGOnline and log in. Scroll down the page and click on the link to Learning Resources. Go to Online Resources.

Click on the link for Primal Pictures, which should take you immediately to the main home page.

If you are accessing Primal Pictures off college campus, select UK Institution Shibboleth login, select Chichester College then log in using your usual college username and password.

How do I search the database?

Search Primal Pictures using the Search box.

Or by looking for specific subjects in the modules section on the home page.

Each section provides a range of resources such as text information, diagrams, 3D models and videos.

Below each 3D model, there are buttons which you can use to rotate the image and break down into layers. Sections of the model can be highlighted and labelled.

You can save and print these resources.

What if I still need help?

There are video tutorials and help guides accessible from the home page. Please also ask a member of library staff if you need help using this resource.

There is also an index that you can use to search for subjects alphabetically.
